CERTIFICATE OF INTERNAL PARTY ELECTIONS

Chairman Election Commission of Pakistan
Secretariat Election House
Constitution Avenue
G 5/2
Islamabad

Honorable Election Commissioner,

With regards to your query about the Electoral Process of Jannat Pakistan Party, we submit the following:

I established a website www.QuaideAzam.com around June of 2000. My objective was to gather public support and provide a platform for our ideology. Over the years, through my articles and International Radio Broadcasts I mustered a massive public support. Supporters concurred on the Jannat Pakistan Party ideology.

On June 6, 2009, we launched a worldwide public Internet campaign titled **100 LEADERS FOR PAKISTAN**. We publicized the JPP ideology on FACEBOOK with 'target audience Pakistan'. This is a world standard digital media. We invited people from Pakistan to join JPP as future Leaders for Pakistan.

On November 12 of 2010, party leadership convened in Islamabad and formulated the Draft of Party Constitution.

On January 1st 2011, we launched the Internal Party Election Campaign via FACEBOOK advertisement. Candidates presented their view points on Skype and via LIVE WEBINAR MEETINGS. My campaign was directed to obtain public approval of JPP Draft Constitution, Our Manifesto and our proposed Leadership. [Please see attachment for proof of practice]
